Something exciting is coming..

ABOUT US

We have been always dreaming about the future of durable products made of natural materials considering our environment. And that's what we do in HOP DESIGN.

Our goods are manufactured locally in Poland, with respect for the environment.

We cooperate with family-businesses basing on long-term relationships. Moreover, we combine the production ethics with great design and incredibly soft materials. Because we believe you deserve beautiful things around you. We hope you share our ideas.

WHEN MATERIAL MATTERS

We believe a material matters.
We want you to feel exceptionally
comfortable here.

This is where you have the right to
everything: warm socks, favourite
tracksuit, exciting book
and a mug of hot tea.

This is a place, in which you deserve
a time for yourself and where you
can leave all your worries behind the
door. You are the queen here and you
arrange this place in your own way.

YOUR COMFORT ZONE

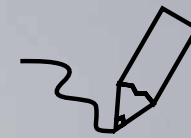

The bedroom is your comfort zone.

We want you to feel exceptionally
comfortable here. This is where you
have the right to everything: warm
socks, favourite tracksuit, exciting
book and a mug of hot tea. This is a
place, in which you deserve a time for
yourself and where you can leave all
your worries behind the door. You are
the queen here and you arrange this
place in your own way.

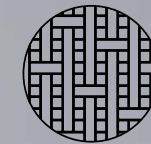

This is the place when you can say:
Just Me, Myself and I.

MIX & MATCH

Customize your bedding set - mix the the sizes and colours.

We know that many have more than one pillow and usually in different sizes, and now you can have matching bedding for all of them.

To make bedding that could fit all your needs at once, we decided to go for separate pillowcases and duvet covers.

Thanks to that you have the freedom to choose your favourite duvet cover and combine it with matching pillow cases and flat sheet in any size and colour you want.
